Introduction

The Catholic Church has a mission-driven moral and legal responsibility to create nurturing environments where children, young people and adults are respected, where their voices are heard, and where they feel safe and are safe.

Duty of care

The Bayside Catholic Mission incorporating the communities of Sacred Heart, Sandringham; St James, Gardenvale; St Joan of Arc, Brighton; St Joseph's, Black Rock; Stella Maris, Beaumaris and St Mary's, Hampton, holds the care, safety and wellbeing of children, young people and adults as a fundamental responsibility of the Church. This commitment is drawn from, and inherent to, the teaching and mission of Jesus Christ, with love, justice and the dignity of each human person at the heart of the Gospel.

Right to safety and participation

A culture of safety within the Church ensures that children and young people (defined as a person under 18 years of age) and adults can actively and fully participate in the life of the Church and realise their potential in a faith community. Bayside Catholic Mission has a zero tolerance for all forms of child, young person or adult abuse and maltreatment and is committed to protecting children, young people and adults from harm.

Child abuse

Child abuse or maltreatment is defined as an act (or series of acts) that endangers a child's or young person's physical or emotional health or development and/or a failure to provide conditions to the extent that the health and development of the child/young person is significantly impaired or placed at risk.

Categories of abuse and maltreatment include:

- physical abuse
- sexual abuse including grooming
- emotional abuse including spiritual abuse
- family violence
- neglect
- discrimination
- bullying

Bayside Catholic Mission is committed to the safety, wellbeing and dignity of all children, young people and adults. Safeguarding is everyone's responsibility.

Signs and indicators of child abuse or maltreatment are not always obvious. Physical abuse may be more visible than other forms of abuse (e.g. bruising). Neglect is harder to identify as it consists of a failure to provide adequate care and attention. Likewise, you may not witness discrimination or bullying in relation to disability, mental illness, family violence, skin colour or race, gender identity or sexual orientation. However, it may result in signs or indicators in the child's behaviour, for example social withdrawal and/or depression.

All children and young people are vulnerable but there are some children and young people who have an even higher risk of abuse than the general population. They are children who have experienced abuse before or who have a disability; are from culturally and linguistically diverse backgrounds; those experiencing poverty or homelessness or out of home care. Similarly, the safety needs of Aboriginal and Torres Strait Islander children and young people are more acute due to a history of racism, marginalisation and dispossession.

Dignity of children, young people and adults.

Bayside Catholic Mission values the contribution and dignity of all children, young people and adults and creates opportunities to involve children, young people and adults in decision-making about programs, activities and events that affect them. Bayside Catholic Mission recognises the need for empowerment of all children, young people and adults, especially those at greater risk of abuse. Their involvement in decision-making can be a significant protective factor in preventing abuse within Church organisations.

Informing and involving parents (and guardians) in promoting child (and adult) safety.

Bayside Catholic Mission acknowledges that effective child/adult safety within parishes, agencies and entities cannot be undertaken without the involvement of parents (and guardians) and seeks to engage parents and guardians as critical partners in promoting the safety of children, young people and adults. The involvement of parents and guardians of children, young people and adults who are more vulnerable to experiencing abuse is particularly important.

Safeguarding children, young people and adults within the Bayside Catholic Mission in the Archdiocese of Melbourne.

Bayside Catholic Mission acknowledges that preventing child/adult abuse requires proactive approaches across policies, procedures and practices consistent with the requirements of the:

- Child Safe Standards and the Reportable Conduct Scheme (Commission for Children and Young People, Victoria)
- National Principles for Child Safe Organisations (Australian Human Rights Commission)
- National Catholic Safeguarding Standards (Catholic Professional Standards Limited)

In fulfilling this responsibility, CAM has developed a comprehensive framework to guide the implementation of child/adult safety policies, procedures and practices within parishes, agencies and entities with the aim of preventing child abuse, empowering children, young people and adults, and responding to concerns, disclosures or allegations of child/adult abuse or child-related/adult-related misconduct. Bayside Catholic Mission has adopted this framework within its policy.

This policy provides a broad overview of the framework and should be read in conjunction with supporting resources e.g. implementation guidelines, factsheets, templates.

The application of this policy extends to clergy, employee and volunteer behaviour within the context of their role within the Church: within the physical boundaries of all canonically established

Bayside Catholic Mission is committed to the safety, wellbeing and dignity of all children, young people and adults. Safeguarding is everyone's responsibility.

parishes associated with the Bayside Catholic Mission (e.g. churches, parish halls, presbyteries); beyond the physical boundaries including pastoral support, visitation or outreach on non-church property (e.g. hospitals, detention centres, prisons, homes), online or via digital environments and while travelling outside Bayside Catholic Mission whether locally, interstate or overseas.

Safeguarding responsibilities

Through the Professional Standards Unit, the Archbishop supports and assists parishes, agencies and entities to:

- implement safeguarding practices and processes outlined in this policy
- coordinate the response to allegations and reports of child/adult safety related misconduct and child/adult abuse in relation to clergy, employees and volunteers across the Archdiocese
- monitor and continually improve safeguarding practices and processes.

Bayside Catholic Mission, agency and entity leadership is responsible for ensuring compliance with this policy and relevant procedures and practices within the parish, agency and entity to protect children, young people and adults. The PSU requires the leadership of Bayside Catholic Mission with its Safeguarding Committee to summarise its compliance with the requirements of this policy on an annual basis.

The Safeguarding Committee of Bayside Catholic Mission plays a central role in assisting the parish priest with implementation of the requirements of this policy.

Further, as safeguarding children, young people and adults is a collective responsibility; all persons in ministry, working or volunteering within Bayside Catholic Mission acknowledge their individual responsibility to comply with clear behavioural expectations to act in a manner that is caring, respectful and safe toward children, young people and adults.

Every member of the clergy, employee or volunteer within Bayside Catholic Mission has a moral, legal and ethical responsibility to care for and promote the wellbeing of children, young people and adults and protect them from harm or abuse.

This applies to all those involved in Bayside Catholic Mission, agencies and entities including:

- clergy, including all canonical administrators of a parish (e.g. bishop, parish priest, assistant priest, migrant chaplains, visiting clergy, priests in residence, supply clergy, deacons)
- Sisters, Brothers and Religious Priests holding an appointment from the Archbishop to undertake work in parish or Archdiocesan entities
- employees (including casual employees)
- lay ecclesiastical ministers including pastoral associates, those engaged in chaplaincy
- volunteers
- seminarians
- persons residing at the presbytery or on the grounds of the parish, agency or entity
- students on placement
- contractors (where applicable)

The Bayside Catholic Mission Safeguarding Children, Young People and Adults Policy parallels the development of similar policies in a range of CAM organisations involved in education, health and welfare. CatholicCare, Catholic Education Melbourne, Catholic systemic schools, Mannix College and Villa Maria Catholic Homes all have safeguarding policies and personnel working or volunteering in

these organisations will be guided by these policies and are not bound by the CAM Safeguarding Children and Young People Framework.

Safe personnel

Selection, recruitment and screening

Bayside Catholic Mission in seeking to provide safe and enriching interactions with children, young people and adults within the context of parishes, agencies and entities, sets out selection, recruitment and screening processes that consider the suitability and appropriateness of persons to work with children, young people and adults in ministry or in an employment or voluntary role to minimise the risk of child/adult abuse occurring.

Child and adult safety code of conduct

A specific child and adult safety code of conduct provides guidance to clergy, employees and volunteers in the context of their involvement with children, young people and adults in their parish, agency or entity role.

Induction

Induction processes incorporate safeguarding awareness to build a foundation of understanding and commitment to the safety of children, young people and adults.

Safeguarding Training

In supporting clergy, employees and volunteers to promote the safety of children, young people and adults and discharge their responsibilities in line with this policy, Bayside Catholic Mission provides a range of training and education activities that equip clergy, employees and volunteers with the skills and knowledge to promote the safe participation of children, young people and adults.

Supervision

It is a requirement of this policy that those whose roles involve working with children, young people and adults are provided with supervision and support to undertake their role in a manner which promotes the safety of children, young people and adults and enables detection of behaviour that may be detrimental to children, young people and adults.

Safe programs, activities and events

Child/Adult safety risk management

Bayside Catholic Mission parishes, agencies and entities safeguard children, young people and adults by employing a risk management approach that systemically identifies and assesses risk associated with programs, activities and events involving children, young people and adults to minimise opportunities for harm to occur.

Practice and behavioural guidelines

In addition to risk management process, Bayside Catholic Mission, agencies and entities utilise guidance provided in practice and behavioural guidelines in relation to conducting programs, activities and events involving children, young people and adults.

Responding to and reporting child (or adult) abuse

The safety of children, young people and adults is paramount. All concerns, allegations or complaints of child abuse (or adult) will be taken seriously and acted upon consistent with the

Bayside Catholic Mission's moral, ethical and legal obligations to safeguard children, young people and adults.

In Victoria, the following legislation governs how adults should respond to child abuse:

- The *Children, Youth and Families Act 2005* (Vic) defines when a child is in need of protection (s 162) and the mandatory reporting obligations of certain professionals working in our community (ss 182, 184).
- The *Child Wellbeing and Safety Act 2005* (Vic) sets out the Reportable Conduct Scheme.
- The *Crimes Act 1958* (Vic) creates the offences of 'failure to protect' (s 490) and 'failure to disclose' (s 327) which place additional legal responsibilities in relation to reporting, if a reasonable belief has been formed that a child or young person is at risk of or experiencing child sexual abuse.

Bayside Catholic Mission acknowledges it's moral, legal and ethical duty to effectively respond to and report concerns, allegations or complaints of child/adult-safety related misconduct and/or child/adult abuse to the appropriate authorities such as the Victoria Police, Child Protection (Department of Health and Human Services) and the Reportable Conduct Scheme (Commission for Children and Young People).

Children, young people and adults (and their families) within Bayside Catholic Mission have information and support to report a concern, allegation or make a complaint through processes that are accessible and respectful.

It is a requirement of this policy that Bayside Catholic Mission clergy, employees and volunteers, make a report if they have formed a reasonable belief that a child, young person or adult has experienced abuse, is experiencing abuse or is at risk of harm in the course of their ministry or work. Not reporting child/adult abuse or misconduct that places children, young people and adults at risk of harm is a breach of the Safeguarding Children, Young People and Adults Policy.

Making a child/adult abuse report involves notifying statutory authorities and the Professional Standards Unit (PSU) of the Catholic Archdiocese of Melbourne in a timely manner (as soon as practicable after forming a reasonable belief, unless the child or young person or adult is in imminent danger).

Reporting to the PSU ensures that parishes, agencies and entities across the Archdiocese report and respond appropriately to concerns and/or allegations of complaints in relation to safety of children, young people and adults.

All reports are to be documented on the **Child-safety Related Misconduct and/or Child Abuse Report Form** and emailed to the Professional Standards Unit – professional.standards@cam.org.au – as soon as practicable.

In Victoria, alleged child abuse perpetrated by:

- clergy, employees and volunteers is reported to the Sexual Offences and Child Abuse Investigation Team (SOCIT) within Victoria Police
- a family member is reported to Child Protection - Department of Health and Human Services (DHHS)
- a child or young person is reported to Child Protection (DHHS) and/or the SOCIT (Victoria Police) (e.g. sexually harmful behaviour, aggression, violence, online exploitation).

PSU's role in relation to reports of alleged child-related/adult-related misconduct and/or child/adult abuse

The Professional Standards Unit (PSU) is responsible for coordinating child/adult-safety related misconduct and child/adult abuse reports in relation to the safety and wellbeing of children, young people and adults and liaising with statutory authorities.

The PSU will be guided by the recommendations of Victoria Police and/or Child Protection in relation to any action that may be required to promote the safety of those involved and the integrity of the investigation process.

Bayside Catholic Mission and CAM have a legal responsibility under the Reportable Conduct Scheme to notify current and historical incidents of suspected child abuse or misconduct of clergy, employees and volunteers to the Commission for Children and Young People (CCYP).

Serious misconduct and/or criminal behaviour will be reported to the Reportable Conduct Scheme (Commission for Children and Young People) and/or Victoria Police and be subject to internal investigation and disciplinary action (and/or administrative action subject to the requirements of Canon Law for members of the clergy).

Disciplinary action is determined by the seriousness of the misconduct.

Disciplinary action in the case of employees and volunteers may consist of:

- counselling
- training
- a verbal or written warning
- suspension (with or without pay)
- dismissal.

In the case of clergy, disciplinary and/or administrative action will be considered in accordance with Canon Law and may include:

- pastoral supervision
- counselling
- suspension of faculties
- permanent removal of faculties
- recommendation to the Holy See for a penal precept or dismissal from the clerical state (laicisation)
- excommunication.

Confidentiality and privacy in relation to reports of child abuse will be maintained consistent with the principles of natural justice and our duty of care to safeguard children, young people and adults.

The safety and support needs of all parties involved in a report will be considered and addressed as part of this process.

The PSU will centrally record and monitor child-safety related misconduct and/or child abuse to provide the Archbishop with oversight in relation to the safety and wellbeing of children, young people and adults across the Archdiocese.
