

# BAYSIDE CATHOLIC MISSION

Under the Patronage of St John Paul II  
St James, St Joan of Arc, St Mary's, Sacred Heart, St Joseph and Stella Maris

9th October 2022 | 28th Sunday in Ordinary Time Year C | [baysidecatholicmission.org](http://baysidecatholicmission.org) | 9593 1703

Dear friends,

Thank you to those who took the time to offer their comments about the proposed amalgamation last weekend, either personally or in writing. The Working Group will meet this coming Tuesday to collate these responses and report back to the community.

### October is the Month of the Rosary

We have been generously offered some brochures to promote the Rosary by the Catenians. A copy is attached to the bulletin, as well as some information about the Catenians, who are active in some of our communities.

### Mission Groups

For a few weeks and in various places we have invited suggestions for the new Mission Teams which will replace the Local Teams. Anyone is welcome to suggest names, and the former Local Teams and Pastoral Council have been invited to offer names also. Please send any suggestions to the Bayside Office ([baysideoffice@cam.org.au](mailto:baysideoffice@cam.org.au))

Last weekend I was warmly welcomed at Immaculate Heart, East Hampton where I celebrated the three Masses. Members of this community have been invited to join the Working Group, Finance Committee and soon, the Pastoral Council. A member of East Hampton will also be on the sub group which will look at Mass times for the Mission. With the arrival of a new parish on October 21, it will require a change in a Mass time and location somewhere and we will need to carefully discern this together. If you have any suggestions, please let us know.

Visiting a new parish last week, I was pleased to see parishioners from other Bayside communities there. Maybe this is something we could think of occasionally, to begin the building of a larger sense of community by attending Mass at another church, or even another time, or even sit in a different seat!

In the email this week and on the website there is an update on St James church, with some photos and details about the Pipe Organ which has been secured for the building.

### A couple of coming events:

This Sunday afternoon concert at St Joan of Arc- details in bulletin

Opportunity this week to meet and chat with the priests – details in bulletin

'We Believe' - faith formation series coming up – save the dates, details in bulletin

May the Lord bless you and your loved ones this coming week.

### Music in the Mass - The Selection of Music

The choice of music for the Mass often reflects the liturgical season and the occasion. We could be tempted to limit or judge our musical choices based solely on subjective opinion or personal likes or choices. There is an objective content to the music, and the texts need to be theologically appropriate and musically harmonious.

*"But your dedication to the liturgy and its music... represents a way of evangelization at all levels, from children to adults... In fact, the Liturgy is the first 'teacher' of catechism." - Pope Francis*

## The Divine Mercy Message

We thank John Canavan for his presentation on the Divine Mercy at our Mercy Night on Thursday evening last week.

Here is further information about the Divine Mercy and its message for us.

The message of The Divine Mercy is simple. It is that God loves us – all of us. And, He wants us to recognize that His mercy is greater than our sins, so that we will call upon Him with trust, receive His mercy, and let it flow through us to others. Thus, all will come to share His joy.

The Divine Mercy message is one we can call to mind simply by remembering ABC:

**A** - Ask for His Mercy. God wants us to approach Him in prayer constantly, repenting of our sins and asking Him to pour His mercy out upon us and upon the whole world.

**B** - Be merciful. God wants us to receive His mercy and let it flow through us to others. He wants us to extend love and forgiveness to others just as He does to us.

**C** - Completely trust in Jesus. God wants us to know that all the graces of His mercy can only be received by our trust. The more we open the door of our hearts and lives to Him with trust, the more we can receive.

This message and devotion to Jesus as The Divine Mercy is based on the writings of Saint Faustina Kowalska, an uneducated Polish nun who, in obedience to her spiritual director, wrote a diary of about 600 pages recording the revelations she received about God's mercy. Even before her death in 1938, the devotion to The Divine Mercy had begun to spread.

The message and devotional practices proposed in the Diary of Saint Faustina and set forth in this web site and other publications of the Marians of the Immaculate Conception are completely in accordance with the teachings of Church and are firmly rooted in the Gospel message of our Merciful Savior. Properly understood and implemented, they will help us grow as genuine followers of Christ.

Spend time to learn more about the mercy of God, learn to trust in Jesus, and live your life as merciful to others, as Christ is merciful to you.
