

BAYSIDE CATHOLIC MISSION

24 JULY 2022 - 17th Sunday in Ordinary Time - Year C

'Father, may your name be held holy, your kingdom come; give us each day our daily bread, and forgive us our sins, for we ourselves forgive each one who is in debt to us and do not put us to the test.' Luke 11:2-4

What is the parish? What are we here for ?

The purpose of the parish is not to keep us safe, but to help us to be equipped to go back into the world a better disciple who can evangelise it.

Saint John Paul II specified that: "Whilst the Parish is perfected and integrated in a variety of forms, it nevertheless remains an indispensable organism of primary importance in the visible structure of the Church", whereby "evangelisation is the cornerstone of all pastoral action, the demands of which are primary, preeminent and preferential". Subsequently, Benedict XVI taught, "the parish is a beacon that radiates the light of the faith and thus responds to the deepest and truest desires of the human heart, giving meaning and hope to the lives of individuals and families". Lastly, Pope Francis recalled how "the parish encourages and trains its members to be evangelisers". *The pastoral conversion of the Parish community in the service of the evangelising mission of the Church*

A process of missionary conversion must be begun that is not limited to maintaining the status quo or guaranteeing the administration of the sacraments, but presses forward in the direction of evangelization. *General Directory for Catechesis, 300.*

PARTS OF THE MASS - The Gospel

The reading of the Gospel is the high point of the Liturgy of the Word. The Liturgy itself teaches that great reverence is to be shown to it by setting it off from the other readings with special marks of honour: whether on the part of the minister appointed to proclaim it, who prepares himself by a blessing or prayer; or on the part of the faithful, who stand as they listen to it being read and through their acclamations acknowledge and confess Christ present and speaking to them; or by the very marks of reverence that are given to the Book of the Gospels.'
